Chapter 1 by Oakley Buttars

Hi, I am just a girl made by some girl who loves to read and write. My name is Destiny. The girl who created me wanted to write a book so she came up with me. I am only one character that girl created and she still is creating more as she writes more stories. In this book you will hear of characters she and many other writers created. I am just one character in one book that has not yet been completed.

I will tell you how I was created, but not right now. I want other characters to tell you about them.

Chapter 2 by Oakley Buttars

My name is Harmony I was created as the daughter of the first character you met, Destiny. I have three siblings, Vanish, Yimnick, and Yemnick. We are quadruplets and were created to have magical powers like our mother and father. They both could turn into wolves because of a curse my mother received as a baby. I was also created to be one of the most powerful kids in my world. I was just a girl who did not know who her parents were and I was meant to be powerful. It is strange how some people who seem normal and have a bad life can be powerful.
